

is hearing directly from constituents. And certainly, Mr. ROSE, in our comments back and forth, my colleague and I have talked about the value of this program, the intent of this program, and our efforts to ensure that pharmaceutical companies and pharmacy benefit managers are not breaking the law and are not raiding the coffers of the 340B discount program.

Madam Speaker, I close out tonight by just thanking all of the Members who came to the floor, all of the Members who support legislation to support this vital program, and all of the Members who recognize the value of the 340B program within their district. Again, I give a very special thanks to my friend from Tennessee that helped manage the floor during this Special Order hour.

Since it came into being nearly 30 years ago, 340B has enabled a strong healthcare safety net that has served thousands of communities and millions of patients. It has been a lifeline for hospitals, health centers, and clinics that serve patients with low incomes, especially those who are uninsured or on Medicaid and those in rural areas. It has done so with strong bipartisan support and without costing any taxpayer

dollars. Again, these savings allow our communities' hospitals to stretch those Federal dollars, to save those Federal dollars. This program does not cost a single taxpayer dollar.

The 340B Drug Pricing Program is a success story for patient access to care. We should celebrate it. We should protect it. We should defend 340B.

Madam Speaker, I yield back the remainder of my time.
